To present Normal as it is: It is our aim to show not only the achievements of the students and the excellence of the departments but to revive in later years lifelong friendships that started on registration day and were parted on graduation. Our feeble attempt has been for this yearbook to reflect before you as in a polished mirror the students and faculty as well as the cherished memories of 1940-41; to have it read more like an old tale than a brilliant novel. Even the cover has been chosen with the thought that in years to come it will still grace one's library fittingly. And so it is with somewhat wistful reverence that we write finis; for we know that the book is not made of pictures and ink but of life and memories; therefore, in binding it we seal within it the happiest days of our life—days never to be forgotten.

AND MOSTLY RELAX

DEDICATION

It is with love and appreciation that the 1941 Potpourri is dedicated to **MRS. ETHEL L. HEREFORD**—ever gracious, loyal, and charming—for her untiring services rendered the college for almost a quarter of a century. Her sympathetic understanding and patience have helped to guide the students of the Normal through storm and sunshine.

COLLEGE

His Excellency

GOVERNOR SAM HOUSTON JONES

Characteristic of the people he represents, he is ruggedly honest and plainly outspoken. A lawyer of wide reputation, he is well equipped to give to Louisiana an administration that will be ranked with the best.

Former President

A. A. FREDERICKS

A great personality, he worked unswervingly toward the building of a greater Normal. Completely unassuming, devoted to the ideals of a democratic college, he devoted himself to that task. The student body of the Normal bid a loving farewell to Mr. Fredericks and to his First Lady of the Campus.

MRS. A. A. FREDERICKS

President

J O E F A R R A R

Quiet, dignified, emphatic is Normal's new president, Dr. Joe Farrar. His personality, keen judgment, insight, and understanding of the problems confronting college students stand him in good stead as administrator and adviser.

"Coach" rules with an iron hand when serving on the Discipline Committee . . . Mr. Mitchell handles the grades . . . Miss Dean is like an old hen with a flock of biddies . . . Mrs. Hereford is our youngest girl friend . . . Mr. Sibley doles out the money . . . Mr. Hatcher feeds us and looks like a well-fed specimen . . . Mr. Avery is the man who finds a job for us . . . Mr. Weaver No. 1 rooter for the football team.

The Student Body Association was organized in 1927 with the election of a president, vice-president, secretary-treasurer, and certain members of the student body to make up the Student Council. The purpose of this organization is to regulate all matters pertaining to the student life of its members which do not fall under the jurisdiction of the faculty.

The Student Council acts as an executive body for the Student Body Association and supervises the activities of the student organizations, bringing them into closer cooperation with one another, also with the faculty and administration of the college. This council consists of the three student body officers, the presidents of the senior, junior, and sophomore classes; the editors of the *POTPOURRI* and *Current Sauce*; the presidents of the three religious organizations, and the three representatives at large from the senior, junior, and sophomore classes.

SCENES FROM DEEP PURPLE

Ralph throws Tessie for a loop. . . . The end.

Among the traditions of Normal College stands the Purple Jacket Club, honor society for women. Its purpose is embodied in the motto—"Service." Membership in the organization is based upon scholarship, leadership and loyalty to the Alma Mater. The aim of each Purple Jacket girl is the building of a greater Normal College; to this end the group remains ready to serve.

Dear Peggy;
 you don't
 know how
 much I've
 enjoyed having
 you as an
 sister this year

The Current Sauce, a four-page, seven-column newspaper published by students, with Professor R. L. Ropp as faculty adviser, was, prior to the 1940-1941 session, a bi-weekly publication. It is now published every Thursday except during examination periods. The editorial policy of the paper this year has been one of

Just relaxing from a relapse of relaxing

These hair-brains do nothing

To the members of the staff, Mr. George Atkinson, and Mr. Charles Cunningham, we express our sincere appreciation.

The chief aim of the staff has been to please, endless hours having been spent in planning each page so that it would fit into the scheme of things, in consideration of the likes and dislikes of the student body, as seen by the editor and staff, in carrying out a democratic policy so essential to the ultimate success of any book. If we have succeeded, we shall indeed be graciously rewarded for the lost sleep, the cut classes, the time spent, and the energy consumed. So long!

DRAMATICS

WHEN THE SCENE IS SET

Scenes from "The Admirable Crichton"

Top: Marion Lee and Billy Joe Ferguson as Lady Mary and Crichton.
 Bottom: The servants come to tea at Lord Loam's.

A new era in dramatic activity opened in 1940 on the Normal campus with the opening of the Fine Arts Building. With its magnificent large auditorium, the Little Theatre, complete lighting equipment, and a varied stock of scenery, this building afforded the Dramatic Club its first opportunity to produce its work on a professional scale. A workshop in the basement allowed the building of stage sets by members as well as by members of dramatics classes.

The employment of Thera Stovall as a member of the Speech Department augmented the capable work of Annetta Wood, Miss Stovall directing *The Admirable Crichton*, first major production of the year. Miss Wood directed *Death Takes a Holiday*, second major production.

An innovation was the production of Dramatic Hours monthly under the direction of experienced club members. These included "The Maker of Dreams," under direction of Melba Halbert; "The Brink of Silence," under Iva Blanche Butler, and "The Valiant," under V. A. Dunham, all being produced in the Little Theatre. Here, too, plays of the classes in play production were given.

The Junior Dramatics Club was active during the school year, giving "Don't Take My Penny" during January.

Alpha Psi Omega, national honorary dramatics fraternity for those obtaining a high standard in dramatics and holding a high scholastic average, continued its activities. Its faculty members are Annetta Wood and Charles Cunningham.

I still like the north don't you? I'll always remember that first night at grad. See ya next year, (I hope).

DEBATE AND ORATORY

Led by Coach R. L. Ropp, the 1941 debate and oratory squad, composed of 16 students, participated in eight forensic meets in competition with schools from surrounding states, making an excellent showing in each.

Norman Dowty, Wallace Hunter, Frances Thomas, Carolyn Cook, Aubrey Kendrick, G. F. Thomas, Jr., Mary Evelyn Dickerson, and Mary Ellen Caldwell were instrumental in gaining enough points to place Normal near the top in each meet.

Both the State Oratorical Contest and the Louisiana Forensic Meet were held on the campus this year.

Dear Peggy,
Don't ever forget
our days at Normal
in T.E.A. You know
I enjoyed knowing
you and I'm looking
forward to a lot
of work with you
next year.
Love in T.E.A.
Cecil May

Don't forget to fill out this little space & can't say more. Let's just wait you. Is, when you are remembering your days at Normal, remember to remember a little girl who thinks a lot of you and who has never drawn you for a while. Stay as sweet as you are and the school always will welcome you. Love, your friends.

NORMAL, 20; MURRAY, 6

September 27, Natchitoches, Louisiana

The Demons opened their 1940 grid season by continuing their 1939 winning ways as they smashed the Murray State Teachers of Kentucky for a 20 to 6 victory. The "Trio"—Migue, Boucher and Wiggins—made the 20 points for Normal with ease, with the beautiful blocking of their teammates letting them average 7.2 yards per try. Four minutes of the first quarter had passed when 'Bama Wright broke through the Thoroughbred line to block and recover a punt on the Murray 25-yard line. from where Wiggins scored the first touchdown of the season. Ted Wright, Demon quarterback, converted to put Normal seven points to the good. Five minutes later Boucher handed the ball to Migue on a reverse, who crossed the goal line standing up. The second period showed the reserves holding the Kentuckians in every threat. After the half the Demons began clicking again, and in a few plays had the ball on their opponents' 36-yard line, from where Boucher skirted left end for the final score for the Demons, Ted Wright again converting perfectly to give the Demons a final score of 20 to 6.

To the right: COACH HARRY "RAGS" TURPIN, as he watched the Demons work.

NORMAL, 32; SOUTHEASTERN, 0

October 4, Natchitoches, Louisiana

The Demons took on the Southeastern Lions in their first L. I. C. competition to win a 32 to 0 victory. Theophile Scott, Coonie Migues and Ernie Tyler, plus the timely blocking and heads-up football of the entire Turpin-Brown gridders, gave the Lions the unwanted defeat. The Lions tried 29 passes, 15 of them being good for yardage, the Demons intercepting three. Scott gained his first recognition of the year when he gathered in a Lion punt and traveled to their 17; from there he went over standing up on the second try for his first touchdown. Twice more Alman Marron, quarterback, sent Scott on scoring jaunts, once in the second quarter for seven yards, and in the fourth on a 12-yard push. The third score was set up when Tyler blocked a Lion punt and Dunham recovered on the opposition's five. Early in the third quarter Tyler scored on a 19-yard end-around jaunt. Sweeney's 21-yard end run set up Scott's third touchdown in the final period, thus leaving the Lions 32 points short. Priest, Bramlett and Scurria contributed pass interceptions. The Demon followers saw an excellent show in blocking, while Wiggins' toe was used to an advantage in keeping the Lions' backs to the wall.

NORMAL, 7; LOUISIANA COLLEGE, 7
 October 12, Pineville, Louisiana

Doc Marx Works Anywhere

The Demons and the Louisiana College Wildcats battled to a 7-7 draw under the lights in Pineville, climaxing well enough what is called the greatest homecoming celebration in the history of the Baptist school.

The Demons struck oil in the second period, when Theophile Scott flipped a 20-yard pass to Herrel Minter in the end zone. Tyler was rushed into the game to make a perfect conversion from placement. The Turpinites were denied further markers by an inspired Wildcat team that tackled savagely and waited for the breaks. The Demons were able to go, but not across the goal line. The Wildcats' offense was stopped cold, but when they broke through to block Wiggins' punt on his own 30-yard line a touchdown was born. Their conversion tied Normal for the first time in two seasons. The one first down that the Wildcats made was on a 15-yard penalty. The Demons made an even dozen.

Wearers of the Purple and White displayed a neat brand of defensive ball; Dunham recovered an enemy fumble and Tyler blocked a punt. Al Subat threw Wildcat backs for repeated losses, as did Sam Scurria and David Bramlett. No one can say the Normal line failed to do its job. Captain Blub Miller and Eddie Schumacher, Pete Martin and Ralph Priest were bulwarks in the line. All of the regulars and many of the reserves saw service, stopping every thrust.

Nevertheless, it was a moral victory for the Wildcats to end the Homecoming classic in a 7-7 tie with the Demons, who had been neither tied nor defeated in 13 starts.

Above: Nice work, Tyler! . . . Doc tapes 'em up . . . Coaches talk it over . . . Migues starts 90-yard run on Tech . . . Lots of luck, Captains! . . . Minter goes up for one on S. L. I.

W O R K . .

NORMAL, 13; LOUISIANA TECH, 0

October 19, Louisiana State Fair, Shreveport, Louisiana

The Louisiana State Fair fans were given their thrills when they saw the Demons and the Bulldogs tangle in their annual football classic. The game was played on almost even terms for the first half, but the second half found the Demons scrapping harder. They finally hit pay dirt after Migues completed a 15-yard pass to Bama Wright and the Coon got 20 yards at tackle; then an end-around by Tyler for 15 yards and Migues went over for six points, with Tyler making the conversion.

Not more than five minutes later, after Tech was held for downs on Normal's 10-yard line, Migues faked a reverse to Sweeney and broke into the open. Perfect blocking in the secondary by his mates put him 20 yards ahead of the nearest Bulldog as he went over the goal line.

The Bulldogs came back in a desperate aerial attack to try to break into the scoring column, but time was too short and the final whistle stopped them on the Demons' nine-yard line.

The Brain Thrust

NORMAL, 7; CENTENARY, 0

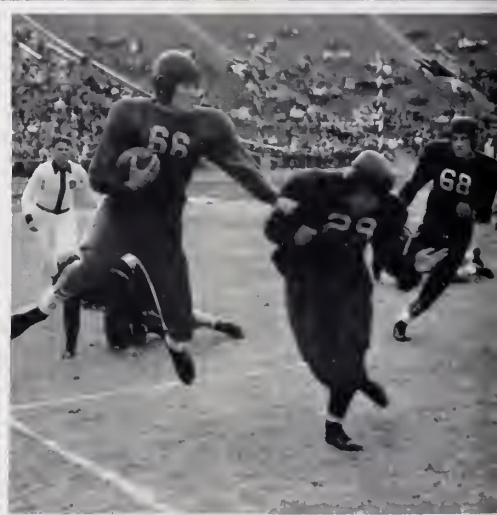

October 25, Natchitoches, Louisiana

In a sensational climax to a thrill-packed contest, again it was Coonie Migues who came through with a 78-yard jaunt in the final minutes of the game to give the Demons their winning margin of seven points. The Maroon and White Gentlemen came to the Demons' camp for the first time and brought out a crowd of over 7,000, who were brought to their feet many times during the game. The Demons' bag of tricks was almost empty when, with the ball on the Demons' 22-yard line and only eight minutes left to play, Migues, in the wingback slot, took the ball from Haynes and traveled alone 78 yards for the only score of the game. Cotton Barnes, Gent safety, made a valiant effort to stop the touchdown run, but he was left sprawling on the turf after his attempt to tackle.

The Gents, underdogs at the beginning whistle, fought hard, and for three quarters outclassed the favored Demons. Once, in the third quarter, the Gents were in possession of the ball on the Demons' one-yard stripe, but the slippery fingers of Big Chief Johnson caused a fumble and the Demons recovered. A predominating factor in protecting the undefeated record was the stellar work of the forward wall, headed by Captain Miller and Tyler and Wright, wingmen. Bramlett and Priest stood out in a great display of manpower.

NORMAL, 7; STEPHEN F. AUSTIN, 14

November 1, Nacodoches, Texas

A 37-yard pass by S. F. A. in the closing minutes of play shattered the winning streak of the Demon team in its seventeenth contest. The Lumberjacks scored in the opening period from the two-yard line, after a 64-yard drive sparked by Roquemore and Bolton. The Demons came back to tie the score in the second period, when Migues passed 10 yards to Starns, climaxing a 67-yard drive by Boucher and Wiggins. Ted Wright's conversion was by placement.

In the last minutes of the game S. F. A.'s Colvin intercepted a Demon pass and was halted on the 37-yard line. The next play, having only five seconds to its credit, was a pass into the end zone which handed the Demons its defeat. The Demons totaled 14 first downs to the Lumberjacks' three, and 194 yards to their 100 from rushing. Nevertheless, the touchdowns are usually counted, and so they were here.

NORMAL, 9; MISSISSIPPI SOUTHERN, 6

November 9, Natchitoches, Louisiana

The Confederates of Mississippi Southern invaded the Demon camp to be honored with the Homecoming game of the Demons. Both teams were held down because of the wet field and rain. There was a punting duel between Mississippi's Alessandri and Normal's Scott, who kept the Demons out of danger except for the one drive that ended with a score when Jones skirted right end for seven yards. The Demons came back full of fire after the downpour during the halftime and held their opponents in check. Scott returned Alessandri's punt 56 yards to the Confederates' 13, from where Migues and Scott alternated in penetrating to the one-foot line, where Scott fumbled, the Southerners recovering. Backed into the end zone to punt,

Mississippi ran into bad luck when their tailback was caught by Migues and Martin for a safety.

In the fourth period, with both teams fighting like mud hogs, Migues got off a 70-yard punt to the Mississippi one-yard line, where Dew was hit hard by Starns and Wright, Normal ends, and jarred from the ball. In the scramble Wright recovered over the goal, and Ted Wright place-kicked the extra point to put the Demons out in front for a win, 9 to 6.

NORMAL, 9; OUCHITA, 6

November 15, Arkadelphia, Arkansas

The second quarter saw the first blood drawn by Normal, when Ted Wright kicked a perfect field goal from a difficult angle, with Sweeney holding the pigskin. In the same quarter the Demons lost the ball on their own nine-yard line due to a fumble. On the next play, Foots Lafitte, stellar end, scored on an end-around for the Lions. Early in the fourth quarter the Demons came back with a beautiful 30-yard pass from Wiggins to Migues, who, already in the open, outran his would-have-been tacklers the remaining distance.

NORMAL, 0; TULANE, 47

November 23, New Orleans, Louisiana

It is hard to look good while being defeated by a score of 47 to 0, but the Demons did just that. Outmanned, outweighed, and outnumbered, Coaches Turpin's and Brown's little boys limited the Creenies to two scores in the first period and one in each of the next two quarters, but, weakened by injuries and being hammered all over the field, had to falter in the final period and give up three scores for a final of 47 to 0. In the fourth quarter little David Bramlett, who every sports writer and coach that saw the game said was by far the best defensive man on the field, was injured and assisted off the gridiron.

Ted Wright Charges Hard

Tech's safety man stopped Sweeney . . . But he gets off a nice gain . . . 'Bama gets the scoring pass at SLI

The entire line played highly fine ball, and again sports writers said that Boucher and Sweeney were two of the best backs on the field.

NORMAL, 7; SOUTHWESTERN, 13

November 28, Lafayette, Louisiana

The Demons traveled to Lafayette to decide the L. I. C. championship with the S. L. I. Bulldogs. It was in the third period that the Bulldogs came from behind and, with a 12-7 victory, took the conference championship from the Normal team. The Demons started the game in full strength, with the exception of Wiggins, but received a telling blow in the first quarter when Ted Wright had to leave the game with badly battered ribs.

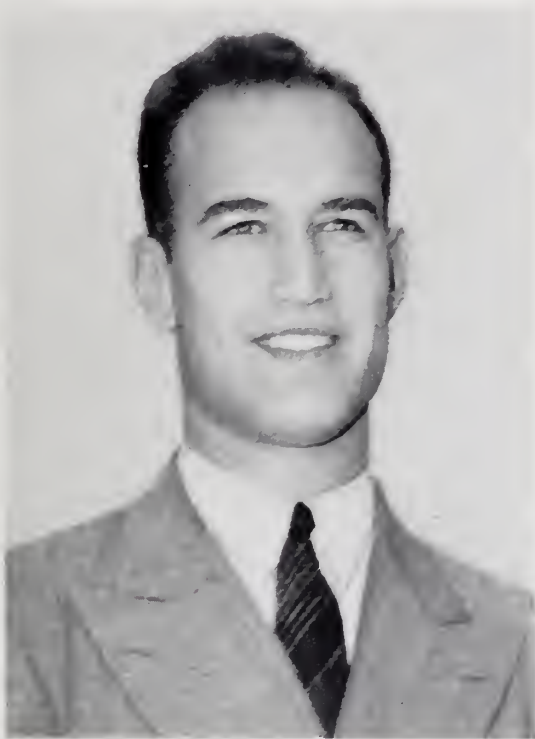

Normal drove 69 yards in the second period to draw first blood on a 12-yard pass from Scott to 'Bama Wright. Tyler converted the kick for the extra point to give the Demons a seven-point lead at the half. In the third quarter the Bulldogs made a 65-yard drive featuring Neil's 47-yard jaunt to score. The tally came on a 13-yard pass from Neil to Patin. Then the S. L. I. gridders put the game on ice in the final period when Votier, sophomore tailback, took Scott's punt on the Southwestern 30 and, behind vicious and well-timed blocking, crossed the Demon goal for the final marker of the afternoon.

The winners amassed 15 first downs and 262 yards by rushing, with 36 from passes, for a total of 298 net yards gained, while the Demons made 13 first downs and 165 yards from rushing and 120 from passes for a total of 285 net yards earned.

Top to Bottom: Gus and Coach look 'em over . . . It all happened in a week . . . Manager Steen and his shoe-boys.

THE FRESHMAN GAMES

WALTER P. LEDET
Freshman Coach and Intramural Director

The Imps followed in the steps of their big brothers with the exception of Tulane, whom the Demons tangled with. The Imps tied one game and lost one in the conference. First they won from the Louisiana College Baby Kittens, 32 to 0, then met the Little Gentlemen and took them into camp to a tune of 7 to 6. After meeting the big and fast team of Magnolia A. & M. Junior College of Magnolia, Ark., they rolled on to another victory over the S. L. I. Bulldogs. Minus five of their men for the next contest, sixteen of the Imps took a bitter defeat from the Tech Bullpups and had to swallow a 32 to 0 licking.

Coach Walter Ledet is to be complimented on his second year as Coach and Director of the Intramural Program at the Louisiana State Normal College.

Coach H. Lee Prather began his twenty - seventh year as cage mentor with a senior-sophomore ball club, and also introduced a new method of leadership of his cagers by appointing a captain for each game instead of electing a full - season leader.

The five seniors that began the season on the hardwood were Cummings and McElroy at forwards, Briley at center, and Starnes and Boswell at guards. Before the season was very far under way McElroy was checked by illness and "big" Red Thomas standing 5 ft. 4 in., and tipping the scales at 137 lbs., stepped in and carried on the senior line-up.

The Demon cagers had a schedule of nineteen games,

out of which they lost only two—the first to Southeastern of Durant, Oklahoma, in the second game of the season, and the other to the Southwestern Louisiana Institute Bulldogs. In their second meeting the Demons downed the Lafayette boys, which placed the two teams in a tie for top honors in the Louisiana Intercollegiate Conference.

In their 19 games the Demons piled up 919 points for an average of 48.3 points per game. Lanky center Josh Briley scored 340 of the 919 points, and, while doing so, broke the L. I. C. record for high score per game and per season. He piled up 36 points in the Southeastern Louisiana game for a new L. I. C. single-game record.

Coach Turpin made his first call for his track squad on March 20, although his distance men had been working for some time. In his calling he found that Webb and Jackson, of the sprinters, and Pruitt, a field man, were absent.

Coach Turpin's spikemen made their first appearance in Monroe to run exhibition before a

high school relay carnival. Then Coach journeyed his team to Lafayette to get their first taste of collegiate competition of the season. Due to unfavorable weather, the Demons placed in only five events at the Southwestern Relays. On the track they placed in the 880 relay and in the medley relay; Sollie Mayer placed in the 100-yard dash. In the

field events, Lee and Captain Murrell placed in the pole vault, while Subat and Moncla took places in the javelin.

The next appearance was made at Louisiana Tech in a dual meet that the Demons took from the Bulldogs by a score of 79 to 47.

In their last match the Demons came home for a tri-meet with the Tech Bulldogs and Loyola Wolves of New Orleans. The Demons were again on top, with 55.6 points; Loyola, with 50.4 points, came second; while the Bulldogs were a weak third with 28 points.

Captain Bell Gives Us Action

The Demon netmen enjoyed another successful schedule in their 1940 season, being defeated only by the L. S. U. Tigers of Baton Rouge. The racketeers were twice victorious over Louisiana College, Louisiana Tech, and Stephen F. Austin of Nacogdoches, Texas, and won single meets from Centenary, Southwestern, Mississippi A. & M. of Starkville, Miss., and the Oklahoma State Teachers of Durant, Okla.

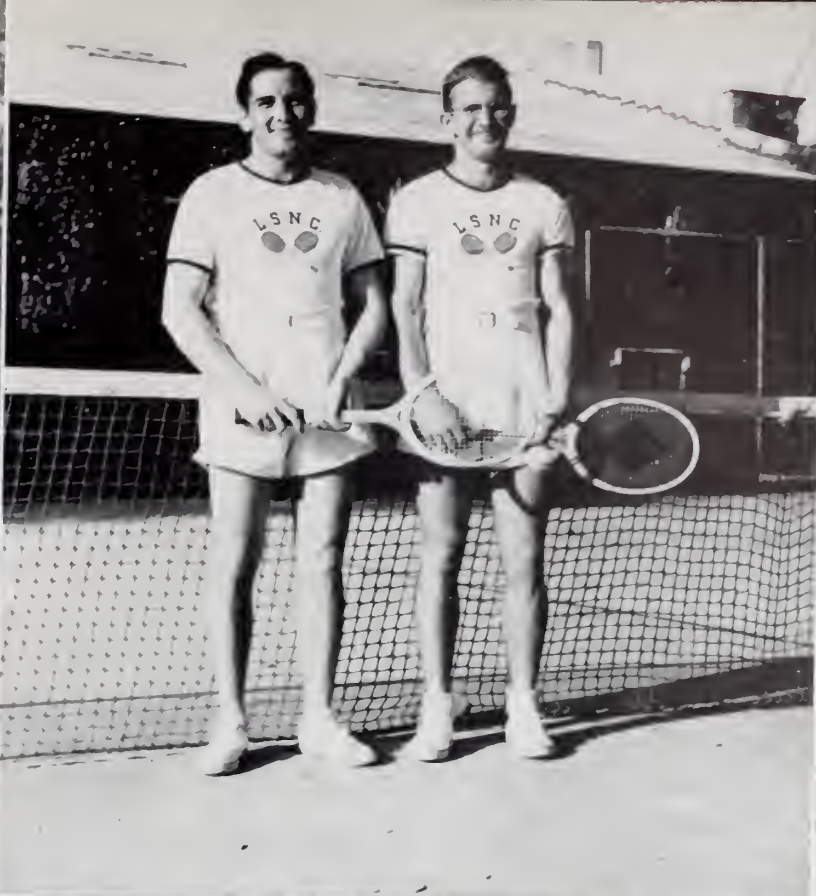

At the Louisiana Intercollegiate Conference tournament held May 4 in Alexandria, the Demons made a clean sweep of both the singles and

The 1940 L.I.C. CHAMPS

doubles matches. It was interesting that both finalists in the singles matches were Normal men—Bell won over Bolton—and that both teams in the doubles finals were Normal teams—Bell and Fisher won over Bolton and Wilson.

Coach Prather turns the freshman squad over to James Boswell, one of his outstanding senior guards, who did a great job in turning out a good freshman team. In a series of some ten or twelve game schedule the little Demons made almost as good a record as their big brothers. The freshmen defeated the little Gents and little Bullpups of Centenary and Tech, respectfully, and all the high school teams that they played with the exception of Natchitoches High once, who won six tournaments and was defeated by the state champions at the state tournament.

Boswell is to be congratulated on this fine work as coach and we wish you lots of luck when you have left the varsity squad.

Since Coach Ledet took charge of the intramural program last year it has moved into one of the most interesting activities on the campus. There are some twenty active teams from dormitories and organizations taking part in the intramural program at this time. Thanks to you, Coach, for another great expansion on the campus.

The beginning of the Dance Club can be traced to the W. A. A. Orchesis Club. The present Dance Club was organized in the fall of 1938 for the purpose of furthering Modern Dance on the

campus. This type of dance requires technical and creative skill; in all compositions the choreography is the work of the students.

The members of the Dance Club are known as the Dance Group and have been selected from students who have met the requirements of the organization.

This group presented their first assembly program in the spring of 1939. The second year of the organization culminated in a Modern Dance Concert, followed by a three-day tour of South Louisiana. Now on their third year, the group presented its annual assembly program in the fall and plans a concert and tour in the spring.

Each year the seniors graduate and new members augment the remaining group. Each year the Dance Club strives to attain more skill in movement and creative ability in order to present a better and more varied repertoire for the students so that the campus may have a better concept and deeper appreciation for this art form of dance, the Modern Dance.

THE WOMEN'S ATHLETIC ASSOCIATION

The Women's Athletic Association intramural and recreation program is a testing ground for professional ideals in physical education. It shows whether or not what it wants to do is really worthwhile. The program has made definite achievements. It is the place where students may satisfy their needs for having fun, for physical activity, and for competition. But, most of all, it allows for companionship. The way to learn to know people is to play with them. In the Women's Athletic Association this is possible.

The Women's Athletic Association has adapted itself to the ever-growing recreational needs of the students on the campus. The multiplication of

available activities has increased proportionately with the number of women students who are active in two or more sports a week.

The Interfraternity Council was organized at the Normal in the spring term of 1938 to create more congenial relationship between the fraternities on the campus and to assist in the making of a bigger and better Louisiana State Normal College.

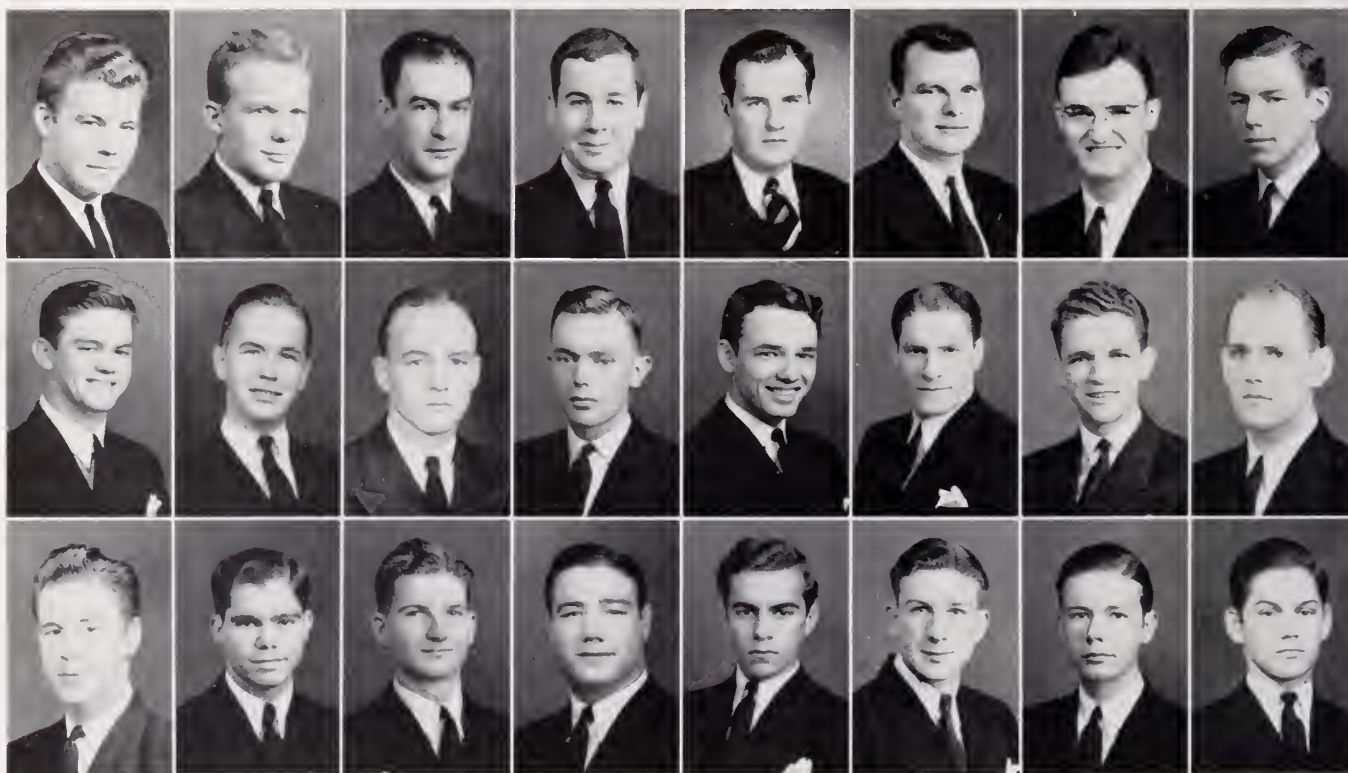

The organization is composed of three representatives from each fraternity. It directs all fraternity affairs, especially those matters in regard to rushing and pledging. The council has authority to settle questions of controversial nature which arise between and among the social fraternities on the campus. The council hopes to be able to sponsor some time each year an interfraternity dance at which it will be the host of the student body of the Normal.

THE WESLEY FOUNDATION

First Row: Barr, Butler, Chandler, German, Halbert. Second Row: Hopper, Kinchen, Laing, McGhee, Parks. Third Row: Riddick, Shaw, Wright.

The Wesley Foundation is the Methodist Church at work on the campus of the State College and University. It seeks, through a program of worship, Bible study, service, and recreation, to give students an interpretation of Christianity as the way of life and to lead them into a place of leadership and service through the Church.

The Wesley Foundation program was set up on the campus of Louisiana State Normal in September, 1939. The Student Center in the Student Religious Building is a home for the student away from home. Here the student may find understanding, companionship, and fellowship that is real. All students from Methodist and Christian homes belong to the Wesley Foundation and any who are interested are welcome.

The Baptist Student Union, an organization sponsored by the Southern Baptist Convention, was organized at the Louisiana State Normal in 1927. It is a unit in both the State and South-wide Baptist Student Union. The Union has no direct membership, but is composed of all Baptist students who are members of the unit organizations of the local Baptist Church, the Sunday School, Baptist Training Union, and Young Women's Auxiliary. Its work is directed by an executive council and committees which make up the larger council, under the leadership of the pastor of the local church and the student counselor, who is maintained by the church. This year, for the first time, the Normal B. S. U. reached the standard requirements for First Magnitude Baptist Student Union, which is quite a distinction and achievement.

NEWMAN CLUB

First Row: Carville, Decoteau, Henderson, Marcello. Second Row: Scurria, Smith, Taylor.

The Newman Club is a club of Catholic culture and Catholic fellowship, organized in non-Catholic colleges and universities of the United States. The purposes of the Newman Clubs are religious, educational, and social, in that order. Activities of the club include corporate communions, discussion study clubs, retreats, parties, picnics, and dances.

The chapter of the Newman Club at the Louisiana State Normal College was established in the fall of 1935. The faculty advisers are Mr. Eugene Watson, Mrs. W. H. Pierson, and Mrs. Frances Phelps. The chaplain is the Reverend Father L. R. Aycock.

On November 17, fifty-six students were initiated into the club. This is the largest number of initiates in the history of the Normal Club.

The Y. W. C. A. was formed in 1911 by the union of the King's Daughters and the Devotional Circle, two organizations for creating greater fellowship among the women students and the faculty and drawing them closer to their Creator.

The purpose of the Y. W. C. A. is to unite girls in a desire to live a full and creative life; to share this life with others; and to seek to understand Jesus and to follow Him. The primary function of the Christian Association is to discover through study and insight the inherent value in religion, and to make them effective in all our human relationships.

T H E Y . M . C . A .

First Row: Pennie Adkins, David Bramlett, George Gibbens, Albert Green. Second Row: George Hughes, Wilbur McSherry, Charles Richey, Donnie Waller.

The Young Men's Christian Association of the Louisiana State Normal College is an organization of religious students. Its chief aim is to be an active factor in all forms of moral and Christian work, properly within the scope of such an organization; to bring the young men into a close and practical relationship among themselves and their Creator. It also encourages attendance at the churches.

The "Y" is ready at all times to assist all students contemplating entering Normal. It offers the services of two of its members each year to serve as Freshman Commissioners at the Normal.

The association's purpose is to promote cooperation among its members and the faculty; to develop a spirit of leadership; to promote high standards of scholarship and character as well as to improve student life at the Louisiana State Normal College. Members of this group are selected by the State Board of Education after careful consideration of character, leadership, and scholarship. A "B" average must be maintained to keep this scholarship. Members of this organization retain membership for life.

The Euthenics Club was founded at Louisiana State Normal College in 1926. In the beginning it was operated as a credit club, but in the past few years, scholarship has been the basis for membership. This year the membership is not based upon scholarship, but any Home Economics student who is interested in promoting a professional spirit is eligible for membership. This club also endeavors to encourage sociability among its members. The Euthenics Club is a member of the National Home Economics Association, and has been represented at several of the national meetings, Atlanta, Chicago, Milwaukee, Kansas City, San Antonio, and Cleveland.

Le Cercle Français was reorganized in 1939. Membership is open to any and all students who have taken French in high school or college or who are of French parentage and have a practical knowledge of French. The purpose of this organization is to encourage the speaking of the language on the campus and to develop an ear for French sounds. Special topics of French culture and civilization are studied at each meeting, songs are sung and games are played.

Pour nous tous, les membres du Cercle Français, la devise sera: le français dans toute la Louisiane, et surtout sur le campus de la Normale!

We hope you like it.
Larker Dick

Dear Peggy,

Knowing me you can depend on this as being a sincere utterance - I feel that coming to know you in a different, a nicer way - if nothing else - justified my hibernation here at Eastertime. It was fun!

I feel perhaps you missed your real calling when you didn't study Law. The only thing you haven't argued with me is the genetic priority of the hen and the egg.

This is trite, bromidic, hackneyed - and everything WG journalists frown upon - but you're the damndest damn Yankee this suther'ner evah knew!

MARY ELINOR McKEAN
De Queen, Arkansas

Peggy:

down ol' "Yankee" but?
I believe all I have
against you is that
that one little hindrance -
just think of what owe to a
thing like that - can do to a
great friendship.
But at any rate
I've enjoyed ever minute
of your presence and just
wish it could have been
more.

I really hope to
see you more next year and
I won't ever forget the cute
little girl who stayed away
from home so long & her
Southern Customs were in the way
Love
Loree (Patience)

Dearest Peggy,

It's been such a pleasure
to know such a
nice sweet girl as you.

There's hoping our friend-
ship will steadily grow.

I wish you all the
success in life because
you are the one who
deserves it.

A friend
Matha New
Minden, La.

Much happiness is
my wish for a swell
girl.

Coyce Linkie Rosey

Dear Peggy,

I haven't known
you very long, but
I think you're swell.
Good luck and the
best of everything to you.

Pickett Markin

Wishing you the best of luck -

Bill Smith

Peggy, you are a
sweet girl, and I
hope you have the
best of luck & happiness
all through life.
Easton England

I wonder if you remember
one more of P.M. Hoffman's
color. P.M. Hoffman also.
Johnny H. on

Wishing you
the best of everything -
Doris Lambent

May your future be
secure and happy.
Wish you the best from
everything.
Mary Elizabeth Crow
(Betty)

Dear Peggy,

although I'm not in
college with you, I
hope you will remember
me. May you have the
best of luck in
everything.

David Pennington

Peggy, you are a swell
kettle drummer and a swell
gal. Hope I see you next year.

Johnny Allen

Hoping you best
of luck always.

Louis R. Perkins

Best wishes for happiness
all times - Love, Betty

Peggy -
I thought across
to the likes of the
who have a painting
the same as painting
one. I think you're
a swell girl. I hope
you have the best of
luck & happiness. I
hope I see you next
year. Love, Betty

Best wishes for the future -

Larry Wiley

Wishing the
best of luck &
lots of happiness
to a swell Yankee.
Sincerely,
Mark

Dear Peggy,
I've really enjoyed
my association with
you, and, although
I do not know you
very well, I think
you are a swell
girl. Remember me.
Mary Elliott

Dear Peggy,
I have enjoyed living
in the same dormitory
with you and having
close with you.
I think you are a very
sweet girl.

I wish you success
and happiness all
your life. Love

Dear Peggy

I was always
prejudiced against
Yankees - but you've
made me a little
less prejudiced
and you've
made me like
one at least.

My best wishes
to a d - nice
Yankee.

Gordon.
